Guys,

Are all of you free to talk this afternoon? Is there an update on how the city would like to handle outreach? Also, some attorney has been contacting the trust on behalf of someone that wants to buy the northern portion and turn it into a solar panel farm. We should all talk with them and see if they line up with any of our plans. They could also be a better fit for a different piece of property in the city too. So, are you guys free after 1 eastern?

Michael
